Welcome to the Real World: Career Exploration & Budgeting

WTTRW is designed as a series of learning activities that culminate in a simulation experience in which youth choose a post-graduation path and make a series of related “real world” decisions.

Youth will:

- Explore careers
- Make consumer choices related to future independent living
- Learn skills needed to manage their finances
- Evaluate their success in managing their monthly income and expenses
- Explore alternatives to balance a budget

No Cost

<https://4h.extension.illinois.edu/programs/college-and-career-readiness/welcome-real-world>

Teen Reach

Students will:

- Learn everyday life skills
- Assistance with academics, participate with STEM and service learning
- Learn how to compile and use a budget

Adults

Individual Placement and Support (IPS)

IPS is a model of supported employment for people with symptoms of mental illness (e.g., depression, anxiety, schizophrenia, bipolar disorder) as well as individuals diagnosed with Autistic Disorder. IPS supported employment helps people living with behavioral health conditions work at regular jobs of their choosing. Mainstream education and technical training are included as ways to advance career paths. One does not need to receive services at Transitions to access IPS and it is free.
