#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Adams County, Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of Partner Funding on page 18 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. #### 1. Summary of Significant Accounting Policies

#### A. Nature of Business

The United Way of Adams County, Inc. (UWAC) (the Organization) is a non-profit organization which receives support from the public and allocates the support received to various nonprofit organizations in Adams County, Illinois. The mission of the United Way of Adams County, Inc. is to inspire, unite and empower the people of Adams County to reach their full, human potential.

#### **B.** Financial Statement Presentation

The Organization has chosen to maintain its accounting records on the accrual basis. Accordingly, revenue is recognized when earned or when it otherwise becomes available and expenditures are recognized when incurred.

Under requirements of the Financial Accounting Standards Board, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. In addition, the Organization is required to present a statement of cash flows.

Net assets with donor restrictions include gifts for which a donor-imposed restriction has not been met and promises to give for which the ultimate purposes of the proceeds are restricted by the donor. The entire gift, the principal amount given, can be spent in accordance with the donor's restriction. It also includes gifts, trusts and pledges which require, by donor restriction, that the corpus or the principal be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions.

#### C. Campaign Pledges Receivable

Unconditional pledges receivable are recognized as support in the period the pledges are received. Conditional promises to give are recognized as support when the conditions on which they depend have been substantially met.

Pledges receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance. The valuation allowance is computed based upon a percentage agreed upon by the Board of Directors based on historical experience. Those balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to pledges receivable. During this fiscal year, the allowance for outstanding balances was decreased to \$34,200 from \$68,800, 3.03% of the 2020 campaign pledges.

#### D. Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

#### E. Investments

Investments are reported at fair value, which is based on quoted market prices, with the exception of certificates of deposit which are carried at cost, which approximates fair value. Gains and losses on sales of investments are generally determined on a specific cost identification basis. Unrealized gains and losses are determined based on year-end market valuations.

#### 1. Summary of Significant Accounting Policies (Continued)

#### F. Capital Assets

The Organization capitalizes acquisitions of capital assets greater than \$1,000 and a useful life greater than one year. These are recorded at cost for items purchased by the Organization. Capital assets donated to the Organization are recorded at the fair market value when received. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets. Office equipment is depreciated over a period of 5 to 10 years.

#### **Supporting Activities (Concluded)**

Management and General – Includes the administrative activities that support the overall operation of the office and governance of the Organization. This includes staff meetings, cleaning, mail processing, clipping newspapers, board meetings and board committees, general errands, professional training/learning activities, strategic planning and accounting functions.

#### H. Public Support

Support is recognized when contributions are made, which may be when cash is received, unconditional promises are made, or ownership of other assets is transferred to the Organization. Conditional promises to give are not recorded until conditions are substantially met. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statements of Activities as net assets released from restriction.

#### I. Donated Services

The Organization receives donated services from a variety of unpaid volunteers assisting with the campaign and with other activities throughout the year. The Organization has not recognized any amounts in the accompanying Statement of Activities because the criteria for recognition of such volunteer effort under accounting standards has not been satisfied. The Organization also receives donated marketing services and other promotional services and the value of these donated services are shown in the Statement of Activities and the Statement of Functional Expenses. The majority of these services represent the advertising time and production costs donated by local television, radio, and advertising agencies valued according to their standard rates charged to paying advertisers.

#### J. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

#### K. Functional Expenses

The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and/or support service are allocated directly according to their natural expenditure classification. Other expenses are allocated based as a function of staff time, which is tracked by functional areas on each staff member's timesheets.

#### L. Income Taxes

The United Way of Adams County, Inc. is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. IRS Form 990, *Return of Organization Exempt from Income Tax*, and Illinois Form AG990-IL, *Charitable Organization Supplement*, for the year ended June 30, 2021 and prior years have been filed. Income tax filings are subject to audit by various taxing authorities and are open for audit for 2019 to 2021.

The Organization has a policy structuring its financial assets to be available as general expenditures, liabilities, and other obligations become due. This policy states that the Organization should have at least six months of expense in reserve. Should an unforeseen liability need arise, the Organization could also draw upon its other investments.

#### 5. Fair Value Measurements

**Total Investments** 

The Organization adopted accounting standards for fair value measurements. The standards define fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

The following are the major categories of assets measured at fair value on a recurring basis during the years ended June 30, 2021 and 2020 using quoted market prices in active markets for identical assets (Level 1); significant other observable inputs (Level 2); and significant unobservable inputs (Level 3).

The beneficial interest in assets held by the Community Foundation has been valued at the fair value of the Organization's share of the Foundation's investment pool as of the measurement date. The Foundation values securities and other financial instruments on a fair value basis of accounting. The beneficial interest in assets held by the Community Foundation is not redeemable by the Organization as described in Note 6. Financial instruments classified as Level 3 in the fair value hierarchy represent the Organization's investments in financial instruments in which management has used at least one significant unobservable input in the valuation model. The following table represents a reconciliation of the activities for Level 3 financial instruments:

#### 6. Beneficial Interest in Assets Held by the Community Foundation

The United Way of Adams County, Inc. transferred assets to the Community Foundation of the Quincy Area (CFQA), establishing the United Way of Adams County, Inc. Fund. The Organization has granted the CFQA variance power which gives the CFQA's Board of Trustees the power to use the Fund for other purposes in certain circumstances. According to Financial Accounting Standards Board Codification 958-605-25-21, *Transfers of Assets to a Not-for-Profit Organization or Charitable Trust That Raises or Holds Contributions for Others,* when a not-for-profit transfers a portion of its own assets to a fund in a community foundation, the not-for-profit organization continues to report those assets as its own, with the activity for the year shown in the Statements of Activities. The Fund is subject to the CFQA's investment and spending policies and distributions are made to the Organization annually and shown in the Statements of Activities as investment income.
